

Dear Cruiser,

Carnival Cruise lines has implemented a new system that allows you to print your own Cruise Documents when you register online. We are finding that this is the most expedient and the easiest way to obtain your documentation since you are already required to register online for the FunPass.

We have simple instructions below on how to log on and get your documents, including luggage tags.

Also we sent a "word" file attachment containing all of our DanceFun information and onboard schedule. Be sure to print out this letter and schedule in the "word" attachment as well as any additional event information. Bring these papers with you along with your printed Documents and FunPass.

To Retrieve your Documents & FunPass:

- First log onto <http://www.carnival.com/>
- Next click on the "My Documents" link on the left hand side of the bottom blue bar.
 - Then put in your booking number - XXXXXX
 - Your last name
 - Select the "Carnival Pride"
 - Select the date - X/XX/XX
- Next click on the "view" link next to your names - this will bring up PDF pages that you will want to print out (12+ pages). This includes:
 - Luggage tags – print as many as you need (last page)
 - General travel information (things that are good to know)
 - Your "Sail & Sign" card credit agreement
 - And your boarding pass – Note: if you do your "Fun Pass" first, this will not appear in your documents. So – You do not need to fill this out. Once you complete your "Fun Pass" – it will be your boarding pass
- Next, for the "Fun Pass" you will click on the "Fun Pass" button on the lower right hand side of the "My Documents" page.
- Follow the instructions and complete all of the information to complete your "Fun Pass". (Tip - just put private transportation for getting to and from the ship, otherwise it might not let you complete it.)
- Print out a copy when done and bring with the rest of your documents – this is your boarding pass.

Let us know if you have any problems with this. If you have any problems with the fun pass, your best bet is to Contact Carnival. If you are still not successful, give us a call and we will do our best to help you.
